How We Organize
Ourselves

During the theme, 'How we organize ourselves' we emphasized the idea that rules make people live in harmony.

We explored different rules within the school environment and life outside of school. We covered many different topics within this theme and tried to get our students to understand the different rules that we follow.

So, here's all the exclusive updates on what we did during our English activities...

Recipe Book

Get your pen and paper ready! Here's a bunch of yummy recipes from our cooking activities with Mrs Ashley and Miss Janset!

Important: Our ingredients list was intended for a class of 20 students so you will have to play around with the numbers accordingly.

Chocolate Chip Cookies

(Ingredients are for 20 SS)

- 100gr of butter
- 1/2 of sugar(half a cup)
- 1 egg
- 1 package of vanilla powder
- 1 package of baking powder
- 1 3/4 cups of flour
- 1 package of chocolate chips

Mix all the ingredients together in a bowl and when you have a nice dough put them in small ball shaped pieces onto the oven tray and don't forget your baking sheets. Cook the cookies at 180 degrees heated oven for 15 min.

Face Sandwich

(Face Sandwich: (ingredients for 20 ss)

- 1 package of sliced toast bread give each ss 1 slice (head)
- 20 slices of cheese give each ss 1 slice (face)
- 10 cherry tomatoes cut in half give each ss a half (nose)
- 4 cucumbers slice them and give 2 to each ss (eyes or ears)
- 40 olives give 2 to each to ss (eyes)
- 2 red peppers slice them up and give 1 strip to each ss (mouth)
- Lettuce (hair)

Tortilla Wrap

(Ingredients are for 20 ss)

- Tortilla wraps (3 packages)
- Pinar sliced cheese (2 packages)
- Cherry tomatoes (20)
- Cucumbers (10)

Thinly slice your cucumbers and cherry tomatoes, once you have finished slicing them set them aside for later. Lay out your tortilla wrap on a plate and place your cucumbers and cherry tomatoes in the wrap, don't forget to also position your cheese slices

Halloween Cookies

(Ingredients are for 20 SS)

- 100gr of butter
- 1/2 of sugar(half a cup)
- 1 egg
- 1 package of vanilla powder
- 1 package of baking powder
- 1 3/4 cups of flour
- 1 package of colourful toppings

Mix all the ingredients together in a bowl and when you have a nice dough put them in small ball shaped pieces onto the oven tray and don't forget your baking sheets. Cook the cookies at 180 degrees heated oven for 15 min.

Mosaic Cake

(Ingredients are for 20 SS)

- Etibor biscuits x3
- Chocolate pudding x2
- 1.5 litre milk
- Coconut sprinkles
- Chocolate sprinkles

First pour your 1.5 liters of milk into a pot, then put the 2 packages of pudding in the pan and mix it. When it starts to boil lower the heat and keep for 2 more minutes and then move it from the stove. Put the biscuits in a wide Pyrex side by side when one row is done put some of the pudding on top until the biscuits are covered and do this layer until all your biscuits and pudding are done. When you finish doing that, decorate the top with some candy sprinkles and coconut powder. Put it in the fridge for an hour or longer and you're done!

Maths & STEAM with the fabulous Miss Deniz !

We explored the steam room and discovered all the science toys.

We played fun number and counting games.

We practiced sorting and analyzing.

We learned about different sizes like small, medium and large

We learned how to order things from the smallest to the largest.

P.E AND OUTDOOR ACTIVITIES

TREASURE HUNT

Mr. Michael hid 100 plastic balls of different colors and got the students to collect them in colors. We cleaned all the balls with disinfectant after the game.

NATURE WALK

We had a nature walk and collected items that fell from a tree and used them in class for arts and crafts.

FITNESS

We started developing a fitness level with the students.

Child Centered Learning

Students created their own butterflies by hand printing using different colors. We also revised colors and shapes with our scavenger hunt activity which we did in class.

During our rainbow fish activity, the teacher read the book "Hooray for fish", and revised numbers, colors, and sizes. Students then colored and decorated their rainbow fish.

We also went out into the garden to collect fallen leaves which symbolize autumn. We revised seasons in class with a short animation and created our own autumn tree by sticking the dry leaves.

Around the World

In our Around the World activities, we introduced the students to the following countries so far Turkiye, Japan, France, Mexico, and the USA.

We have also tried to teach our little world citizens basic greetings in the spoken language of country the countries that were covered. We identified different types of traditional clothes and their traditional food.

Students also completed activity worksheets, art & craft activities based on these countries.

`</>` During our **FunTech** activities we had lots of fun playing with engaging games.

`</>` The games we play are particularly useful for the little munchkins small motor skills, while using the touchscreen smart board in class.

`</>` Our initial goal is to teach kids that they need to use one finger instead of multiple fingers at once. We work on touch and drag skills especially.

Gold Mine

Here's some QR codes to some of the resources we used in class so you can enjoy them at home too!
