COOKING

How to make easy sweet lavash bread:(for 20 ss)

- 1 package of lavash
- 1 package of cinnamon
- 3 table spoons of sugar
- 100gr butter

First of all take your lavash and spread some melted butter on top. Secondly mix the sugar and cinnamon up and with a help of a spoon spread it on top of the lavash with the melted butter on it.

Do this with all of the lavash you have by placing them on top of each other. After you have done that put it in a 180 degrees heated oven for 5-10 min. When it's heated and ready to serve you can cut it into slices.

COOKING

COCKTAIL SANDWICHES FOR 20 SS

**1 package of toast bread
1 package of sliced cheese
20 tomatoes (1 for each ss)
1 small box of toothpicks**

**Teacher gives each ss a slice of bread.
Each ss will cut their bread into 4 pieces
with the bamboo knives. Then the teacher
will put all the ingredients in the middle of
the table so each ss can put the
ingredients they desire. Lastly they will
stick the tooth picks on their cocktail
sandwiches.**

COOKING

Powder Sugar and Ginger Cookies:

Ingredients:

- 250 gram butter
- 1 cup of powder sugar
- 1 egg
- 1 package of vanilla
- 1 package of baking powder
- 3 ½ cups of flour
- 1 tea spoon of ginger

First melt your butter and pour it in a bowl. Then add the powder sugar and egg and mix it. Secondly, put your flour and mix it again. Thirdly put your vanilla ,baking powder and one tea spoon of ginger and mix all the ingredients. Lastly you will take small pieces of the cookie dough and make them into small ball shapes and put them on the tray to cook at 170 degrees oven for 15min. Once its cooked you can sprinkle powder sugar on top.

YOGA with MS.

JULIE

This month we learned new yoga songs from Bari Koral, improved our flexibility with deeper stretching and learned new yoga poses.

We also worked on deeper breathing and relaxation.

STEAM with Miss 123 Juliette

This month:

We learned about the water cycle!

We learned about measuring weight!

We learned about clouds and painted them outside!

Water Cycle Cartoon

Pbs Kids counting games

Counting to 100

GARDENING with Miss Julie

This month in gardening class we looked for insects and interesting plants in the garden with our magnifying glasses, for the 4th of April.

With the help of the primary school kids, we talked about street animals and how to help and protect them.

We also did the spider web game to learn how hard it is for a spider to build her home.

Finally we made balls of soil and seeds brought by the kids to school so that they can take it home.

OUTDOOR ACTIVITIES

This month in outdoor;

with the help of my Turkish partners we got to play some children's games that have been popular for years in Turkey.

Happy Children's Day to all my students.

PHYSICAL EDUCATION (P.E.)

This month in PE;

We worked on pair work. Each student found a partner and did an activity together.

EXAMPLE: running, gymnastics, basketball or a game. We learned to work together.

SEE YOU NEXT
MONTH!
