# COOKING

## FRUIT SALAD

Chop fruits and add to a large mixing bowl. Make dressing: in a small mixing bowl, whisk together honey, lime zest and lime juice. Toss fruit with dressing: pour dressing over fruit just before serving and toss to evenly coat. Easy as that!

# COOKING

## COOKIE

- Half a cup of sugar
- 100 grams of butter
- 1 package of baking powder
  - 1 egg
- 1 package of vanilla essence
- 1 1\2 or 2 cups of flour depending on the number of people.

Mix all the ingredients together in a bowl and put them into small ball shaped pieces and press on top of them using the cookie molds to make your own shapes. Then, put the cookies onto an oven tray. Cook the cookies at 180 degrees heated over 15 mins.

# COOKING

## BUTTERFLY SNACK

- Pop corn
- Tangerines
- Colorful wires
- Zip lock bags ( small size)

T gives each ss some tangerines and some popcorn so they can put them half and half inside the zip lock bags. Then with a colorful wire you separate the zip-lock bag from the middle. So on one side of the bag you will have tangerines and on the other side you will have popcorn.

# COOKING

## PASTRY WITH ICING SUGAR

### Ingredients:

- Super fresh milfoyl pastry ( 1 package - 20 pieces)
  - Icing sugar (1 package)
- 2 eggs ( to spread on top of the pastry)

T gives each ss a square shaped pastry and each ss makes their own shapes according to the topic the T gives. Then when the ss are finished they put them on the oven tray for the pastry to cook. The pastry should be cooked in a 180 degrees heated oven for 20mins.

# COOKING

## BROWNIE

- 2 cups of Sugar
- 250 gram Butter
- 1 package of vanilla
- 2 table spoon of oil
  - 4 eggs
  - 1 cup of flour
  - 1 cup of cocoa
- Coconut powder for the top decoration

First melt the butter and put it in a bowl and add the 2 table spoons of oil. Then add the 2 cups of sugar and 4 eggs and mix them all up. Then put the vanilla, flour and cocoa inside of the bowl and again mix it all up and lastly put it in the payrex (rectangular shaped bowl) and put it in the oven and cook it for a half an hour at 180 degrees.

# YOGA with MS. JULIE

- This month in yoga we focused on learning some poses like the dog, the cat, the tree, the rock, the butterfly and few more.
- We also worked on mediation.

# GARDENING with

# MS. JULIE

- This month in gardening we learned the colors of the autumn leaves by picking them in the garden.
- We made leaves garland in class, planted parsley in egg boxes and made our own Christmas tress with pine tree and decorations.

# PHYSICAL EDUCATION (P.E.)

- During the month of December we did a wide range of indoor activities. We learned about working in pairs and groups. We played the parachute game, where the students had to work together to complete the task.

# OUTDOOR ACTIVITIES

We learned about outdoor activities in other countries. We used small plastic balls and pretended that they were snow balls. We had a fun snow ball game.

# STEAM with

# Miss Juliette

- We experimented with a non-Newtonian Fluid!

- We played with giant tangram puzzles!

- We engineered a flying reindeer!
