COOKING

TAPAS

- Bread (1 package)
- Sliced cheese (1 package)
- Cherry tomatoes
- Red green peppers

For each ss give 1 slice of bread. Then give each ss sliced cheese to be placed on top of their bread. Then give some cherry tomatoes so they can cut it in half. Lastly give them some green or red peppers to put on top of all the other ingredients. When you have done all of this you can put your tapas on your oven tray to cook in the oven for 10mins at 180 degrees.

COOKING

COCKTAIL SANDWICHES

- 1 package of toast bread
 - 2 packages of sliced cheese
 - 1 jar of black olives
 - 1 package of labneh cheese
 - 20 tomatoes (1 for each ss)
 - 1 small box of tooth picks
-
- Give each student a slice of toast bread. Each student will cut their breads into 4 small pieces. Students can choose from all the ingredients and place it on top of their breads. Lastly they will put tooth picks on their cocktail sandwiches.

COOKING

CHOCOLATE PUDDING WITH BISCUITS

- 3 packages of pudding
- 1 and a half or 2 liters of milk
- 3 packages of biscuits
- 1 packet of coconut powder
- Plastic or glass cups

- T and the ss pour all the pudding into a pot along with the milk and stir it until it boils and wait for about 2 more min. for it to cook.

Each ss will get a plastic cup. Then they will get two biscuits each and crumble them up into the cups given. When the pudding is ready the T will pour the pudding in each ss cup on top of the crumbled up biscuits inside. If you wish you can put some coconut powder on top.

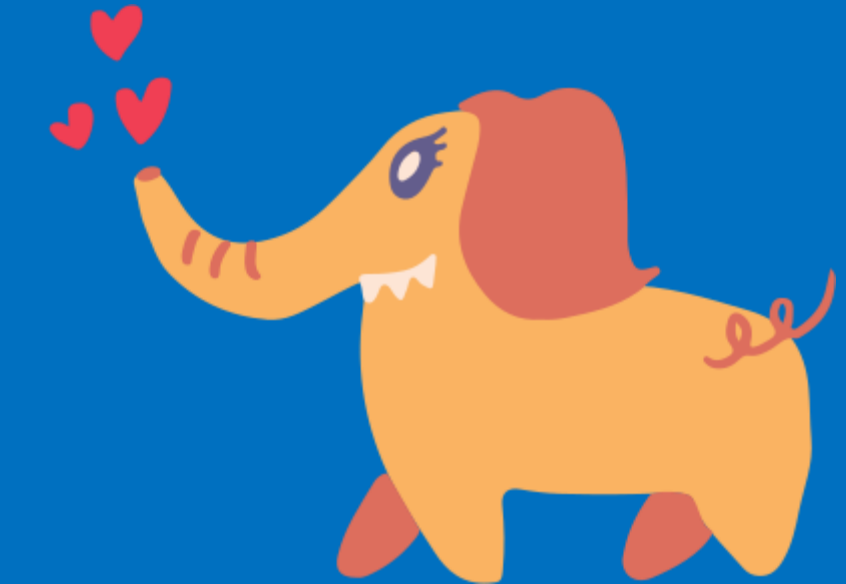

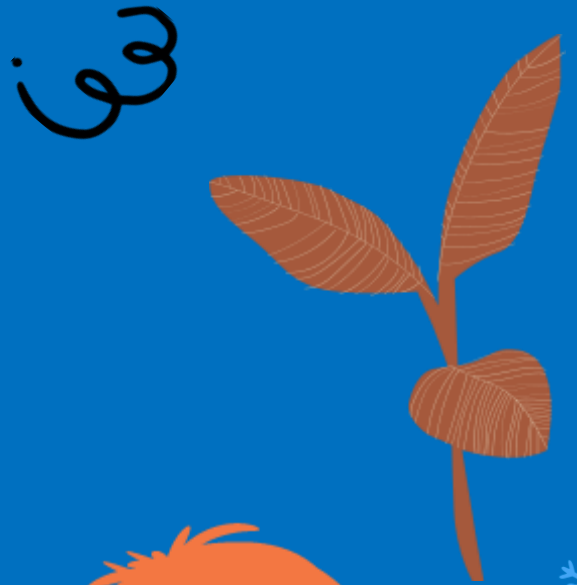

YOGA with MISS JULIE

▪ *This month in yoga:*

▪ *we worked on our breathing, and stretching exercises. We also learned new yoga poses like the iguana, the tree and worked on our balance.*

▪ *We continued working on meditation.*

STEAM with Miss Juliette

This month in STEAM

- We practiced sorting and analyzing.
- We began making circle graphs
- We explored what it means to be an engineer

Maths bingo game

Maths sorting game

Counting to 20 song

GARDENING with

Miss Julie:

This month most of our activities were placed indoors due to the weather condition.

- We made our very own butterfly.**
- We had some walks in the garden observing the nature.**
- We also planted some onions.**

OUTDOOR ACTIVITIES

This month in outdoor:

- We played dodgeball as a class
- We did several walks around our beautiful campus (2km)
- We also had some fun online lessons where we learned to catch a ball.

PHYSICAL EDUCATION (P.E.)

This month in P.E:

- The students played survivor on the play structure and challenged Mr. Michael to a football game. The students beat Mr. Michael at both of the games.**

SEE YOU NEXT
MONTH!
